Yours sincerely

Susan Laker
Company Secretary

SCHEDULE 1

EXPLANATORY NOTES TO THE SPECIAL BUSINESS TO BE PROPOSED AT THE AGM

The notes on the following pages give an explanation of the proposed resolutions.

Resolutions 1 to 7 (inclusive) are proposed as ordinary resolutions. This means that for each of those resolutions to be passed, more than half of the votes cast must be in favour of the resolution. Resolutions 8 and 9 are proposed as special resolutions. This means that for each of those resolutions to be passed, at least three-quarters of the votes cast must be in favour of the resolution.

Resolution 1: Report and Accounts

The directors must present to the shareholders at the AGM the accounts of the Company and the report of the directors and auditors for the year ended 28 February 2010.

Resolutions 2 to 5: Re-election of Directors

In accordance with the articles of association of the Company, Richard Latham, Barry Nel, Peter Earl and David Nel will retire by rotation at the AGM and will seek reappointment. The biographical details of each of these directors are set out in the Annual Report.

Following formal performance evaluation, the Board has determined that each of the Directors' performance continues to be effective and each of the Directors continues to demonstrate commitment to his role.

Resolution 6: Reappointment of Auditors and Auditors' Remuneration

Grant Thornton LLP has agreed to continue as the Company's auditor until the conclusion of the next general meeting at which the accounts are laid before the Company. Resolution 6 proposes the reappointment of Grant Thornton LLP and authorises the Board to determine the auditors' remuneration.

Resolution 7: Authority to Allot Shares

Paragraph (a) of this resolution would give the directors the authority to allot Ordinary Shares or grant rights to subscribe for or convert any securities into Ordinary Shares up to an aggregate nominal amount of £310,541 (representing 31,054,100 Ordinary Shares). This amount represents approximately one-third of the issued ordinary share capital (excluding treasury shares) of the Company as at 9 July, being the latest practicable date prior to publication of this notice of AGM (the "**Latest Practicable Date**").

Paragraph (b) of this resolution is a new authority sought and is in line with guidance issued by the Association of British Insurers. It would give the Board authority to allot Ordinary Shares or grant rights to subscribe for or convert any securities into Ordinary Shares in connection with a rights issue, to existing shareholders in proportion (as nearly as may be practicable) to their existing holdings, up to an aggregate nominal amount of £621,082. (representing 62,108,200 Ordinary Shares), as reduced by the nominal amount of any shares issued under paragraph (a) of this resolution. This amount (before any reduction) represents approximately two-thirds of the issued ordinary share capital (excluding treasury shares) of the Company as at the Latest Practicable Date.

The authority and power pursuant to Resolution 7 will expire on the later of 15 months from the date Resolution 7 is passed or the conclusion of the Company's next AGM.

The Board will continue to seek to renew these authorities at each AGM in accordance with current best practice.

Resolution 8: Disapplication of Pre-emption Rights

This resolution would give the Board the authority to allot Ordinary Shares (or sell any Ordinary Shares which the Company elects to hold in treasury) for cash without first offering them to existing shareholders in proportion to their existing shareholdings.

This authority would be limited to an aggregate nominal amount of £188,206.66 (representing 18,820,666 Ordinary Shares). This aggregate nominal amount represents approximately 20 per cent. of the issued Ordinary Share capital (including treasury shares) of the Company as at the Latest Practicable Date. In respect of this aggregate nominal amount, the Board confirms its intention to follow the provisions of the Pre-Emption Group's Statement of Principles regarding cumulative usage of authorities within a rolling 3-year period where the Principles provide that usage in excess of 7.5 per cent. should not take place without prior consultation with shareholders. There are presently no plans to use this authority.

The authority and power pursuant to Resolution 8 will expire on the later of 15 months from the date Resolution 8 is passed OR the conclusion of the Company's next AGM.

Resolution 9: Adoption of new articles of association

It is proposed in resolution 9 to adopt the new Articles of Association of the Company (the "**New Articles**"), in order to update the Company's existing Articles of Association (the "**Current Articles**") primarily to take account of the coming into force of the Companies Act 2006 (the "**Act**") and the Companies (Shareholders' Rights) Regulations 2009 (the "**Shareholders' Rights Regulations**"), as well as to reflect changes to the Uncertificated Securities Regulations 2001.

The principal changes introduced in the New Articles are summarised in Schedule 2 to this letter. Other changes, which are of a minor, technical or clarifying nature and also some more minor changes which merely reflect changes made by the Act or, the Shareholders' Rights Regulations or the Uncertificated Securities Regulations 2001, or conform the language of the New Articles with that used in the model articles for public companies produced by the Department for Business, Innovation and Skills have not been noted in Schedule 2. The New Articles showing all the changes to the Current Articles are available for inspection, at the Company's registered office as noted in note 13 to the notice of AGM attached to this letter, and are also available from: www.snrplc.co.uk

SCHEDULE 2

EXPLANATORY NOTES OF PRINCIPAL CHANGES TO THE COMPANY'S ARTICLES OF ASSOCIATION

1. The Company's objects

The provisions regulating the operations of the Company are currently set out in the Company's memorandum and articles of association. The Company's memorandum contains, among other things, the objects clause which sets out the scope of the activities the Company is authorised to undertake. This is drafted to give a wide scope.

The Act significantly reduces the constitutional significance of a company's memorandum. The Act provides that a memorandum will record only the names of subscribers and the number of shares each subscriber has agreed to take in the Company. Under the Act the objects clause and all other provisions which are contained in a company's memorandum, for existing companies at 1 October 2009, are deemed to be contained in the company's articles of association but the company can remove these provisions by special resolution.

Further, the Act states that unless a company's articles provide otherwise, a company's objects are unrestricted. This abolishes the need for companies to have objects clauses. For this reason the Company is proposing to remove its objects clause together with all other provisions of its memorandum which, by virtue of the Act, are treated as forming part of the Company's articles of association as of 1 October 2009. The resolution confirms the removal of these provisions for the Company. As the effect of this resolution will be to remove the statement currently in the Company's memorandum of association regarding limited liability, the New Articles also contain an express statement regarding the limited liability of shareholders.

2. Articles which duplicate statutory provisions

Provisions in the Current Articles which replicate provisions contained in the Act are in the main amended to bring them into line with the Act.

3. Authorised share capital and unissued shares

The Act abolishes the requirement for a company to have an authorised share capital and the New Articles reflect this. Directors will still be limited as to the number of shares they can at any time allot because allotment authority continues to be required under the Act, save in respect of employee share schemes.

4. Redeemable shares

Under the Companies Act 1985, if a company wished to issue redeemable shares, it had to include in its articles the terms and manner of redemption. The Act enables directors to determine such matters instead provided they are so authorised by the articles. The New Articles contain such an authorisation. The Company has no plans to issue redeemable shares but if it did so the directors would need shareholders' authority to issue new shares in the usual way.

5. Authority to purchase own shares, consolidate and sub-divide shares, and reduce share capital

Under the Companies Act 1985, a company required specific enabling provisions in its articles to purchase its own shares, to consolidate or sub-divide its shares and to reduce its share capital or other undistributable reserves as well as shareholder authority to undertake the relevant action. The Current Articles include these enabling provisions. Under the Act, a company will only require shareholder authority to do any of these things and it will no longer be necessary for articles to contain enabling provisions. Accordingly the relevant enabling provisions have been removed in the New Articles.

6. Provisions for employees on cessation of business

The Act provides that the powers of the directors of a company to make provision for a person employed or formerly employed by the company or any of its subsidiaries in connection with the cessation or transfer to any person of the whole or part of the undertaking of the company or that subsidiary, may only be exercised by the directors if they are so authorised by the company's articles or by the company in general meeting. The New Articles provide that the directors may exercise this power.

7. Execution of documents

The New Articles provide an alternative option for execution of documents (other than share certificates). Under the New Articles, when the seal is affixed to a document it may be signed by one authorised person in the presence of a witness, whereas previously the requirement was for signature by either a director and the secretary or two directors or such other person or persons as the directors may approve.

8. Suspension of registrations of share transfers

The Current Articles permit the directors to suspend the registration of transfers. Under the Act, share transfers must be registered as soon as practicable. The power in the Current Articles to suspend the registration of transfers is inconsistent with this requirement. Accordingly, this power has been removed in the New Articles.

9. Vacation of office by directors

The Current Articles specify the circumstances in which a director must vacate office. The New Articles update these provisions to reflect the approach taken on mental and physical incapacity in the model articles for public companies produced by the Department for Business, Innovation and Skills.

10. Voting by proxies on a show of hands

The Shareholders' Rights Regulations have amended the Act so that it now provides that each proxy appointed by a member has one vote on a show of hands unless the proxy is appointed by more than one member in which case the proxy has one vote for and one vote against if the proxy has been instructed by one or more members to vote for the resolution and by one or more members to vote against the resolution. The Current Articles have been amended to reflect the changes.

11. Voting by corporate representatives

The Shareholders' Rights Regulations have amended the Act in order to enable multiple representatives appointed by the same corporate member to vote in different ways on a show of hands and a poll. The New Articles contain provisions which reflect these amendments.

12. Borrowing Limit

In line with recent ABI Guidelines, the New Articles contain a restriction on the amount that the Company can borrow without first acquiring shareholder approval. The borrowing limit under the New Articles will be five times the Adjusted Capital and Reserves (as defined in the New Articles).

13. General

Generally the opportunity has been taken to bring clearer language into the New Articles and in some areas to conform the language of the New Articles with that used in the model articles for public companies produced by the Department for Business, Innovation and Skills.
